Mission

Swift Help is a nonprofit community organization dedicated to helping those in need through compassion, collaboration, and action. From food distribution and education to mental health support and shelter assistance, our mission is to uplift lives and build resilient communities.

WHAT IS CROWDFUNDING

the practice of funding a social welfare or project or venture by raising money from a large number of people who each contribute a relatively small amount, typically via the internet.

“Social welfare societies, needful persons, musicians, filmmakers, and artists have successfully raised funds and fostered awareness through crowdfunding”

WHY CHOOSE CRWEDFUNDING

- ✓ it can be a fast way to raise finance with no upfront fees.
- ✓ pitching a project or business through the online platform can be a Valuable form of marketing and result in media attention.
- ✓ sharing your idea, you can often get feedback and expert guidance on how to improve it.
- ✓ it is a good way to test the public's reaction to your product/idea - if people are keen to invest it is a good sign that the your idea could work well in the market.
- ✓ investors can track your progress - this may help you to promote your brand through their networks.
- ✓ it's an alternative finance option if you have struggled to get bank loans Or traditional funding.

Project Overview

In donation and helping systems, people help each other to meet everyone's dreams. Everyone will get the benefits, and thereby help each other. Giving and Receiving are the two concepts of gifting plan. In an efficient gifting plan software, these terms can be changed to Provide help and Accept help, or Give help and receive help. The donation plan providers use different namings based on their business strategies.

Problem

Gifting, Donations, and Crowd-funding are familiar words now.

Solution

Here, everyone is getting opportunities to become entrepreneurs, no need to worry when you lack money.
