My time at Aimlay has been truly amazing. I began as the Business Operations Manager and through dedication and hard work, climbed the ranks to become the Assistant General Manager. Now, after a rewarding 4-year journey, I'm proud to say I've been promoted to the position of General Manager. I'm grateful for the incredible journey so far.

Jai Prakash

General Manager

When I first joined Aimlay as an academic writer, I was confident that the company held immense potential for my career. Today, I am thrilled to have transitioned from a writer to the manager of the very department where I started. This transformation is a testament to the opportunities and growth that Aimlay offers.

For the past decade, I've proudly been a member of the Aimlay family. When I started, we were a small team. It's amazing to see how much we've grown together.
