- ✗ Practical skills ki demand badh rahi hai

STRAVIX

## Why Was StraviX Created?

**Founder Aakash Gupta** ne training industry mein kaam karte hue ek common problem notice ki.

Bahut saare talented logon ke paas potential tha, lekin unke paas **proper guidance nahi thi**.

- Kisi ko communication improve karni thi.
- Kisi ko digital skills seekhni thi.
- Kisi ko freelancing samajhni thi.
- Kisi ko online growth ke opportunities dhoondhni thi.

Isi problem ko solve karne ke liye **StraviX create kiya gaya**.

Ek aisa ecosystem jahan **learning practical** ho, **support** available ho aur **growth ka environment** ho.

## Who Am I ?

## Message From Founder: Aakash Gupta

- Maine apni training journey ke dauran ek common problem dekhi — **bahut saare talented students, housewives aur working professionals ke paas potential to tha**, lekin unke paas **sahi guidance**, practical skills aur growth ka roadmap **nahi tha**.
- Log online opportunities ke baare mein sunte the, lekin unhe samajh nahi aata tha ki shuruaat kahan se karein. Koi communication improve karna chahta tha, koi freelancing seekhna chahta tha, koi digital marketing aur personal branding mein grow karna chahta tha.
- Isi gap ko bridge karne ke liye maine **StraviX ki shuruaat ki**.
- Mera mission hai logon ko future-ready skills, practical learning aur growth opportunities tak pahunchana. Mera vision ek aisa ecosystem create karna hai jahan har student, housewife aur professional apni capabilities ko unlock kar sake aur confidence ke saath grow kar sake.
- StraviX sirf courses ka platform nahi hai, balki learning, mentorship, community aur personal growth ka ecosystem hai, jo logon ko unka **better future build karne mein help karta hai**.

## Why Most People Struggle Online?

- Aaj bahut log online income start karna chahte hain.
- **Lekin zyadatar log fail ho jaate hain because:**
  - ✗ Proper Guidance Nahi Hoti
  - ✗ Right Skills Nahi Hoti
  - ✗ Consistency Nahi Hoti
  - ✗ Community Support Nahi Hota
  - ✗ Step-by-Step System Nahi Hota
- Isi gap ko bridge karne ke liye StraviX create kiya gaya hai.

STRAVIX

## What Makes StraviX Different?

**StraviX** ko sirf ek course platform ke roop mein design nahi kiya gaya.

Yahan learners ko **multiple benefits** milte hain:

Structured  
Learning

Weekly Live  
Trainings

Expert  
Sessions

Community  
Support

Marketing  
Resources

Events  
& Meetups

Recognition  
Programs
