SUBJECT: Formal demand for refund of ■100 and clarification regarding alleged promises of gaming earnings, bonus benefits and withdrawals.

Sir/Madam,

I, **Shashank Dubey**, residing in Prayagraj, Uttar Pradesh, issue this notice in my own capacity as the affected payer/complainant. I request a prompt explanation and resolution of the concerns described below.

1. Facts and grievance

I was directed to or induced to use the online platform **https://www.dmfirst0.com/#/main**. Representations were allegedly made about game-related earnings, bonus benefits and the ability to withdraw funds deposited or earned through the platform. Relying on those representations, I made a payment of **■100 (Rupees One Hundred only)** in connection with the activity.

The transaction screenshot provided records a Paytm UPI payment of **■99.93 on 19 October 2026 at 11:55 PM**, UPI reference number **317281226852**, to a recipient displayed as **Vipin Singh**, with a partially masked UPI ID ending in **1722@mbkns**. The amount claimed in this notice is ■100 as reported by me; the screenshot shows ■99.93.

I also observed a WhatsApp Business profile displaying the name **Shivnath Transport Private Limited**, phone number **+63 967 699 6247** and website **shivnathtransportprivatelimited.space**. Please clarify whether the company, its representatives or any associated person has a connection with the gaming website, the persons soliciting payments or the payment recipient. The screenshots alone do not establish that the company owns or operates the gaming website.

The circumstances have raised concerns that I may have been induced to make payment on misleading or unauthorised representations. Specific withdrawal / bonus issue: [Insert what was promised, when you requested withdrawal, and what response or restriction occurred, if applicable].

2. Demand for resolution

I call upon you to respond within **15 days of receipt of this notice** and to:
(a) Refund ■100 to the original payer/payment source, subject to reconciliation of the transaction record.
(b) Explain in writing the bonus and withdrawal terms represented to me and the status of any pending or inaccessible withdrawal, if applicable.
(c) Provide your legal identity, registered office, corporate registration particulars and the identity of the persons operating the website and soliciting payments.
(d) Clarify whether any relationship exists between Shivnath Transport Private Limited, the gaming website, the WhatsApp account and the payment recipient.
(e) Preserve all relevant chats, website logs, account histories, advertisements, bonus terms, deposit/withdrawal records and payment records.
(f) Provide a written response and proof of any refund made.

3. Applicable law and further action

If the matter is not satisfactorily resolved, I reserve the right to report it to the appropriate cybercrime authorities, local police, the National Cyber Crime Reporting Portal and the relevant bank/payment service provider, and to pursue any remedy available before a competent forum. Depending on the evidence, I may request the authorities to examine whether the facts disclose an offence under applicable law, including **Section 318 of the Bharatiya Nyaya Sanhita, 2023** (cheating) and **Section 66D of the Information Technology Act, 2000** (cheating by personation using a computer resource or communication device), where their respective legal elements are met.

This notice records my grievance and demand for resolution. Legal liability and criminal offences must be determined by the competent authority or court on the evidence. I reserve all rights and remedies available under applicable law, including any legally recoverable interest, compensation and costs where justified.

Please treat this notice as a formal demand for resolution and preserve all evidence relevant to the dispute.

Sincerely,

Shashank Dubey
