

Shivank Sawarn

Results-driven professional with experience in sales and telecalling, skilled in building strong customer relationships and closing deals.

Proficient in graphic design tools like Canva and Adobe Photoshop to create engaging marketing creatives.

Strong communication and persuasion skills with the ability to handle objections and convert leads into customers.

Work Experience

Graphic Designer

2023-2025

- I have experience as a graphic designer, creating visually appealing designs for digital and print media. I have worked on logos, social media posts, banners, and promotional materials. I am skilled in tools like Adobe Photoshop, Adobe Illustrator, and Canva. I focus on understanding client requirements and delivering creative solutions that match their brand identity.

Social Media Marketing and Analysis

2025-Feb 2026

- I have experience in social media marketing, managing and growing online presence for brands. I create engaging content, including posts, reels, and ad creatives tailored to the target audience.
