

QUANTROVA AI PRIVATE LIMITED

SERVICE AGREEMENT

Service Provider: Quantrova AI Private Limited

Client: Mewoki

1. Project Overview

Design and development of the client's website, including UI/UX design, responsive layout, development, optimization, testing, and deployment based on the approved PRD (Product Requirement Document).

2. PRD (Product Requirement Document) Process

- Before starting the website development, the client must confirm the PRD process by paying the PRD amount.
- **PRD Cost:** ₹3,000 (Rupees Three Thousand Only).
- After receiving the PRD payment, the Service Provider will deliver the PRD within **2 working days**.
- The client may review the PRD and request required modifications before approval.
- Website development work will begin only after final PRD approval from the client.

3. Scope of Work

The project includes:

- Custom website design
- Responsive UI/UX development
- Frontend & backend development
- Basic SEO setup
- Performance optimization
- Testing and deployment

The project excludes:

- Third-party paid tools/plugins
- Hosting and domain charges
- Major feature additions outside approved PRD
- Unlimited revisions after approval stage

4. Timeline

- PRD Delivery: Within **2 working days** after PRD payment.
- Website development will start after PRD approval.
- Estimated project completion date: **7th June 2026**, subject to timely approvals and content submission from the client.

QUANTROVA AI PRIVATE LIMITED

5. Payment Terms

A. PRD Charges

- PRD Cost: ₹3,000
- Must be paid before PRD creation begins.

B. Website Development Charges

- Total Website Cost: ₹30,000 (Rupees Thirty Thousand Only).

C. Payment Structure

- Advance Payment: ₹10,000 before development starts.
- Remaining Amount: ₹20,000 payable upon final project completion before deployment/transfer.

6. Client Responsibilities

The client agrees to:

- Provide all required content, images, and information on time.
- Review and approve the PRD promptly.
- Provide feedback within reasonable time to avoid project delays.

7. Revision Policy

- PRD revisions before approval are allowed within the discussed scope.
- Additional changes or features requested after PRD approval may result in additional charges and timeline extension.

8. Maintenance & Support

- 7 days of free support after final delivery.
- Ongoing maintenance or future updates will be charged separately.

9. Third-Party Services

The client will bear costs related to:

- Hosting
- Domain registration
- Premium plugins/tools
- External APIs or third-party services

The Service Provider is not responsible for failures caused by third-party platforms or services.

QUANTROVA AI PRIVATE LIMITED

10. Intellectual Property

- Full ownership of the final website will be transferred to the client after complete payment.
- The Service Provider may reuse non-confidential design elements, frameworks, or reusable components.

11. Confidentiality

Both parties agree to maintain confidentiality of all shared business and project-related information.

12. Limitation of Liability

The Service Provider shall not be liable for:

- Indirect or consequential damages
- Delays caused by client-side approvals/content
- Third-party platform issues
- Post-delivery misuse or modifications by external parties

13. Termination

Either party may terminate the agreement with written notice.

- PRD charges are non-refundable once work has started.
- Advance payments made for development are non-refundable after development begins.

14. Electronic Signature

This agreement shall remain valid if signed digitally or electronically under applicable IT laws.
