The best reply to any question is always a question *GO THROUGH CREATING STRONG BELIEF DOCUMENT ALSO...

Q. Dad Saying No :-

Apko Bizlion ke plan mein kya cheezein acchi lagi?

Aur kya Accha Laga? Aap Kyun karna chahte ho?

Aur kya problem aa rahi Hai?

Apne kya bola tha papa se?

Papa ne kya Kaha?

Apko kya Lagta Hai aisa Kyun Kaha unhone?

(Note to self :- Apne guest ki baaton ko suniye, after each question .guest jitna bolega, utna uska andar ka doubt baahar ayega aur uska Bizlion Karne ka belief check ho payega) Clear all the other minor doubts if he shares in the above talk regarding business.

Mein apko ek insaan ke baare mein batata hun, unka naam Hai Upline name, wo bhi humaari Tarah Delhi se Bachelor course Kar rahe they, Bsc from Ramjas college , Delhi University.

Sir ko jab last year khatam karne wale the tab sir ko Bizlion ka plan Mila tha to sir ko Bizlion ka plan Accha Laga aur sir ne apne papa ko call lagaya, unhone papa se Kaha ki papa aap ek baar Mujhe 11 hazar - do, mein apko lakho kamaa ke dikhaunga college mein, papa ne unse pucha kaise to unhone papa ko pura business part phone par hi samjhana shuru Kar diya. Ab aap batao sir ke papa ne kya Kaha hoga? Unhone Sir se Kaha ki agar yahi karna Hai to college chodo, ghar ao, jhaadu poncha Lagao, yeh Sab Karne ki zarurat nahi Hai, padhai Karne bheja Hai, padhai Karo. Sir demoralize ho Gaye. Ab aap batao Shweta/kritika/Pradeep/Kartik/Aman Sir kya karte? Sir ko Bizlion ke baare mein Ek Baat samjh aayi...

(Note to self - Agar guest ka Bizlion join Karne ka desire medium ya low Hai to humein Pehle uska desire increase karna hoga, hence, Discuss Active and passive income in short and Business plan in short too, then discuss this paragraph)

sir ne socha jab mein 0-10 ki team Banaunga to kya mere presentation skills improve honge ki nahi? Yes.

Jab mein 10-20 ki team Banaunga to friends ke friends ko training dunga to kya meri communication skills develop nahi Hongi? Yes.

Jab mein 20- 50 apni team Leke jaunga to kya meri management skills nahi improve hogi? Yes.

Bizlion mein kaafi public seminars/webinars bhi hote Hai weekends pe, wahan stage/screen pe bolne ka mauka milega to kya Public Speaking Skills Improve nahi Hongi? And Ultimately Leadership Skills and Convincing Skills to hum Bizlion se sikh hi rahe hain. Aaj same company agar ek job 3LPA ka de rahi Hai aur ek job 10LPA ka de rahi Hai to aap batao sir ki dono mein kiska difference Hai? Skills ka. 3 LPA waala insaan akele kaam karta Hai jabki 10 LPA waala insaan akele to kaam karta hi Hai saath mein 3LPA waale 10 logon ko manage bhi karta Hai. Ab aap batao sir ki aap Kaun si job chahte ho? 3 LPA or 10 LPA? 10 LPA right? Ab uske liye humare pass Kaun si skills honi chahiye? Kya humein yeh skills college mein kahn practically sikhne ko mil rahe Hai? Kya Bizlion mein hum in skills ko master Kar sakte hain? Absolutely. To aap batao sir Bizlion karna chahiye ki nahi?

Shweta/kritika/Pradeep/Kartik/Aman Sir ne Wright Brothers(inventor of Aeroplane) ke baare mein padha. Jab Wright Brothers ne aeroplane banana shuru Kiya tha. To unke parents ne unko bahut roka toka tha. Wright Brothers lekin apni Dhun mein lage rahe. Parents ne yahaan tak ki logon ko yeh bhi bola ki humare bache paagal ho Gaye hain, lakdi lohe ko hawa mein udaane ki Baatein Kar rahe Hain, agar unki wajah se koi nuksaan hota Hai to hum zimmedar nahi honge. Ab aap batao aaj aeroplane kya Hai? Aaj ek badi industry Hai airlines service ki nahi? Kya yeh Baat Wright Brothers ke parents ko samjh aa payi thi? Kyun? Kyunki idea Wright Bros ko samjh aaya tha parents ko nahi. To Shweta/kritika/Pradeep/Kartik/Aman Sir ne socha ki unke parents ne bhi shayd isiliye mana Kar diya kyunki unke parents shayd Bizlion aur direct Selling k potential ko feel nahi Kar Paa rahe they lekin sir ko benefit samjh aa rahe they. Aap batao kya sir sahi soch rahe they? Aap batao Sir ko Bizlion karna chahiye tha ki nahi?

Kaise karte?

Papa ne to mana Kar diya tha.

Sir ne dusra option rakha. (Discuss Money Arrangement for Shweta/kritika/Pradeep/Kartik/Aman Sir not the guest.)

- (1. Savings 2000-3000)
- (2. Father 5000- 6000)

(3. Mom 2000- 3000)

(4. cousins brother 1000-2000)

Is Tarah sir ne money arrange karke Bizlion mein kaam karna shuru Kar diya.. Sir ne skills develop Karne ke sath sath apna network tezi se bhadaaya. Aaj Shweta/kritika/Pradeep/Kartik/Aman Sir ka payout 1-2 Lakh per month ka hai..

Aap batao ki sir ke father ko kaisa Lag rha hoga? Agar aap apne parents ko graduate hote hue yeh karke dete ho to apko kaisa Lagega?

Sir yeh Sab Kyun Kar paye? Jab sir ko kaam krte hue 6 mahine hue the 200+ ki team Bana chuke the jisme se agar 100 log kam se kam agar aapne ghar ke liye minimum to minimum agar 2300 ya 4130 K knowledge and skill based courses purchase karte hai then sir ko har month ₹1.5 - 2 lacs per month aati hai ...Sir Aisa wo Kyun Kar Paa rahe they? Power Of Network

Ab aap batao sir ne money arrange karke Bizlion kara to sir ne sahi Kiya ki galt? Sahi Kiya.

Agar sir us waqt apne parents ki baat sun ke baithe rehte to kya aaj wo yeh Kar pate?

Aaj sir ka network , 500+ ka Hai aaj sir ke 1 month ki income 1.5-2 lac rehti Hai. And aaj Sir agar kaam nahi karte hain to kya sir ki income aani band ho jayegi kya? Nahi kyunki sir ka network kaam Kar raha Hai.

Aaj sir ke pass Money Hai, TIME Hai and most important Energy bhi Hai. Aap batao ki sir aap Kaun si life Jina chahte ho? Wahi average life? Ya Shweta/kritika/Pradeep/Kartik/Aman Sir jaise Financial Freedom Life?

Sir ke pass 2 option they uss samay :

Option No. 1 apne parents ki baat sunke baithe rahe, jo chal raha Hai chalne dein aur wahi average life jiyein. Option No 2 Money arrange Karein, skills develop Karein career k liye, network create karein aur Financial Freedom Enjoy Karein?

Sir ko kya choose karna Chaiye tha?.

To Aap kya choose Karoge?

Option no 2

To sir money kaise arrange karenge?(Discuss Money Arrangement) (and discuss Loss of Delay too).

AAP KEHTE HO KI APKE PAAS TIME NAHI HAI?

ANS : agar roj ka 2hr nikalne se kuch samay baad tumhare pass monthly 25-30 hazaar confirm aane lage to time nakalo ge ya nahi ...haa ya naa ?

- Time ka seedha sambandh is baat se hota hai ki aap jo bhi kaam kar rahe ho usme help karne wale kitne log hain ,example aapke college ka malik college ko dekhne mahine main ek baar aata hai ,jabki Director ko roj aana hota hai ,aur baaki ke staff ko bhi roj aana hota haiab samajhne wali baat ye hai ki ...sidhe sabdo mein Maalik free ho gaya college se sir apne carodo ki income se kuch paisa salary ko de kar ,ye theek waisa hi hai jaise aap apni Maid ko kuch paise dete ho aur ghar ke kaamon se free ho jate ho aur us time ko padhne mein ,gym jaane mein aur apni family ke saath invest karne mein nikaalte ho

- Ab thodaa doosre tareeke se samjhte hain ,ek aam admi kisi aur ki company ko aage badhane ke liye din mein 10 ghante kaam karta hai aur retire hone ke baad apne bachho ko usne jo bhi kaam jindagi bhar kiya wo transfer nahi kar sakta jabki DBA ... Mukesh ambani ko sab kuch de paya ,matlab agar aaj apke pass time nahi hai kyunki aap akele kaam kar rahe ho aur aapke liye koi kaam nahi kar raha hai ..aur us kaam se jo benefit hua wo aap apni generation ko transfer bhi nahi kar paa rahe ho

- Ab aisa kuch log isliye kar paate hain kyunki unke pass ek platform hota hai jisse wo logon ke efforts ko use kar paate hain (logon ka network) reliance,ola ,tata etc ...magar ye network aap BIZLION mein banaa sakte hain binaa kisi bade investment se aur aap bhi free ho sakte hain TIME KI problem se . Apne dekhaa hoga bade log har cheez bade time ke saath karte hain ..jaise GOLF game ameer log khelte hain jo ki time taking hota hai...kyunki unke pass time hai...videsh yatra karte hain ...aur aam admi T20 dekhta hai,news channel pe 100 Khabarein FHATAFAT DEKHTA hai,online shopping karta hai ,logon ke bacche Maid samhalti hai,aur HUSBAND WIFE dono job karte hain,kyunki uske pass time nahi hai,unko lagta hai jyada mehnat se paise jyada ayenge 10hr wife, 10hr husband double income ..but agar 100 logon ka 1hr liya jaye to 100hr ek din mein aur apne bachon ko time de sakte hain

...KYA AAP BHI JINDAGI BHAR YE DIALOGUE bolna pasand karoge TIME nahi hai ...ya phir EK NETWORK banake free honaa chahoge. Kyunki busy rehna aur productive rehne mein bahut bada antar hota hai, agar aap busy hain ye to bahut acchi baat hai...kyunki busy hona safalta ki nishaani hoti hai..ki aap safal ho rahein hain...magar kahin aisa na ho ki 3

saal baad aap bhi 20k ki job ka interview de rahe ho ..phir busy rehne ka fayada kahan hai...

Aur mai apko bata doon yahan baat time hone ya na hone ki nahi hoti hai. Matter yeh karta hai hum kis cheez ko kitni importance dete hai. Agar koi cheez humare liye zaroori hoti hai toh hum kisi bhi tarah apna schedule manage karke uske liye time nikal hi lete hai. Shayad aap iss platform ki potential ko feel nahi kar rahe ho. Aap dekho na aap hafte me 6 din college jate ho, aap time aur paise dono invest karte ho..? KYU..?

kyu ki apko pata hai yahaan se apki 3-4 lakh ke package ki job mil sakti hai. Par yeh ek aisa platform hai jo apko mahine ka 1 crore tak pahucha sakta hai. Wo bhi sirf part time basis par, wo bi haft ke 6-7 hours invest kar ke ya Sunday ko sirf thoda extra kaam karke. Aur yeh baat toh aap bhi jaante ho ki hafte me itna time toh hum aise hi barbaad kar dete hai. Aur aisa bhi nhi h 1 crore rupay sirf sapna hai.

Aaj Bizlion me aise log hai jo ki iss achi income pr pahuch the h .(if guests doubt tell them how it is possible through PON) Apko yeh nahi lagta ki

MAHINE KE 50,000/- ke liye humare paas time hi time hai aur 1crore mahine ke liye hafte ke 6-7 hours ka time nahi hai???.... So, agar aap iss platform ki potential ko feel kar rhe ho toh apko sirf hafte ke 6-7 hours invest krne honge,... jo ki hum faaltu ke kaam me barbad kar dete hai. Aur agar आपको seriously time ki problem hai toh yakeen maniye आपके पास जो भी time है use manage करना होगा जिस से आने वाले time में आपके पास time ही time हो! (explain how one can work more than 24 hours a day). Aur apko bata du bahut saare logon ke paas time isliye nahi hota kyuki unhe iss baat ka ehsas hi nahi hota ki wo kahan par apna time invest kar rahe hai aur aisa kar ke unhe future me kya milne wala hai.

- Ask the schedule of your guest and show him that there is so much time which he waste by doing nothing.
- If extra smart:- Time to mere ghar ke naukar ke paas bhi nahi hai.. fir bhi agar आपका schedule बहुत tight है. आप time नही निकाal सकते हो तो एक चीज समझिये आपके पास time नही है....लेकिन अगर आपके niche वाले लोग के पास time है तो आपकी problem solve.

Agar aap goonge hai to kya is business ko kar sakte hain ? Bolne ka business hai If say yes – how ? If say no – आप कर सकते हो अगर आपके team के bande aise आपको मिल जाते हain जो goonge ना हो... Jinhe bolna ata hai.... Baaki upline ka support तो है hi.

I have Money Problem? Ans:Aap batao sir ye koi achievement hai ya problem hai life ki?

Aap batao sir paiso ki permanent solution chahte ho ya temporary? - Permanent.

Acha sir ye btao,apki favrorite car konsi h(luxurious)?BMW. wow sir nice choice, kitne ki aygi?50Lakh. kya aap ise lena chahte ho?Haan. kaise loge?{Silence}. Ye hi baat to samjhana chahta hu sir, ki aap 10999Rs bacha ke apni zindagi nhi badal sakte but mahine ke 10999Rs ke courses kharidke aap Bizlion me network create kr skte ho and ye network ek time ke baad work karegi badle me apko Bizlion kya degi? Passive Income.

And sir aap kehte ho apke pass paise nhi hai to mujhe ek baat batao apka mobile konsa hai?

MI ka, kitne ka hai? 20K ka.

Ab agr khuda na khasta ye raste me chori hooray kya karoge,Rooge? Kbtak Rologe? Kya karoge fir,naya laoge ki nhi? Haan launga.

Kyu laoge kyuki wo apke liye important hai.. tab aap ye nhi dekh rhe ki aap already minus 20,000 me chal rhe ho upr se 20,000 maa baap ka aur kharcha karwaoge.. but kya uss mobile phone se aane wale 4 saal ke baad apki zindagi badal jaygi?? Nhi na

uska use krke aap kaise time waste karte ho mujhe batane ki zarurt nhi aap khud hi jante ho... to Jab waha 20K me bhi nhi socha to yha ke courses kharidne hai wo hi courses jo aap wese bhi kahi na khi se lete karte ho... kya aap online education nhi lete? btao? kya ap skill development nhi karte? btao??

Ab aap Bizlion se skill based courses lo ya na lo bahar se Skill based courses kahi se to lete hi hoge naa, to isme Paise nhi hai wali baat kaha aagyi investment thodi kr rhe ho, jo Skill based courses aap wese bhi lete ho wo wha se na leke bss Bizlion se le rhe ho,simple. Ab aap hi btao bizlions se skill based courses leke agr aapki Favorite car BMW lene ke kabil bann jate ho to isme apko khush hona chahiye ya ye sochna chahiye ki paise nhi h.. aap batao sir.. aap batao karna chahiye ki nhi karna chahiye? karna chahiye.

BAHUT SI AMC SCHEMES / COMPANY DEKHI H

bahut saari company dekhi hai matlab ye concept bahut chal raha hai ,its a growing trend,sawaal ye hai tumne kiya kyu nahi ?..

Bilkul sahi bola aap ne, jab bahut si AMC hai . To aap ne dekhi hi honghi. Nothing new about this, Par kya aap mujhe bata sakte ho ki ek AMC me hume kya kya dekhna chahiye... Wo kaun se parameter hai jo ki acchi AMC me hona hi chahiye, jo usko baaki AMC'S / Companies se alag karti hai... Hum kaise decide kar sakte hai ki ek AMC dusre AMC se better hai Or kyu hai....?

Kyu ki wo kehte hai na hai na Har peeli cheez sona nahi hoti... Or har chamakne waali cheez Hira nahi hoti. Main apko bata sakta hoon jo parameter sab se zyada matter karti hai:-

- 1) No. of working years. And Bizlion established on 15 June 2022 sucessfully running since 6 Months (completed).
- 2) Company head Office:- Rohini, New Delhi - 11089
- 3) Joined Representatives are more than 2000
- 4) Legality:-

- Certification of incorporation
- Ministry of corporate affairs (MCA)

6) Company ka product aisa hona chahiye jo Market me asaani se sell ho sake, to aap hi batao kya log whatsapp chalana chodh denge kya ya fir instagram chalana chodh denge, Education lena?? Skill Development ?? Nahi naa... mtlb in products ki har insan ki need hai and zindagi bhai tak hogi..yha se lo ya kahi aur se lo log lenge hi...to bhai sirf skill development ya education lena ka tareeka hi to badalna hai and commitment ke sath kaam krna h...1/2 saal me zindagi bhi badal jaygi...to kya koi investment h?? Nahi ... to itna sochna kya h bhai?? Jb investment nhi h , risk nhi h..start krte h.

Aap Ne kitna kamaya? (How much have you earned till yet?)

Tumhe kya lagta hai maine kya kya kamaya hoga ?

“Ek baat batao ...hum 25 saal padhne ke baad 25k ki job expect karte hain ,wo bhi jaroori nahi hai mile ...to phir to Bizlion institute mein humne jab admission liya to phir paise to kamayenge but first we have to learn then we'll earn , agar Bizlion koi lottery hoti to tumhara sawal jayaj thaa, ki tumhare paise nikle ki nahi ,magar Bizlion koi scheme nahi hai, hum college se passout hoke ye to nahi bolenge 5 lac lagaya nikla ki nahi , ya kitna kamaye , kyunki iss degree ke baad apke andar wo skills aai hain ki aap

kamaate rahoge , waise hi Bizlition wo skills degi aur aap kamaate rahoge ..1 crore ki opportunity ko seekh raha hu ...paise bhi ayenge ...aap ye dekho maine financial knowledge li foreign writter ki book padhi aur bahut saara knowledge ayaa ...so that i can also think like rich people think ...ab paise bhi ayenge “

The ans of this question will depend on person to person depending upon their

Achievement Vs Time.

*If you have got a successful track Record then discuss it as such.

**But if you have not got the successful track record in terms of achievement Vs time, then reduce your time span by saying

“actively mujhe promote karte huye itna samay hua hai aur yeh yeh meri achievements hai” Waise mai apko bata du ki aaj itni kam age me log yahaan se 10-20-30- 40 hai 80 hazar repay kama rahe hai in fact mahine ka 10 Lakh bhi kama rahe h -

Unhone bhi kabhi na kabhi zero level se shuruwat ki thi. Unki bhi downline kabhi na kabhi itni ki thi jitni ki aaj meri hai. Unka bhi pehla cheque Rs.100Rs ka aaya hoga. Toh jo cheez mai apko feel karane ki koshish kar raha hu wo yeh hai ki, Race me Jeetne ki umeed aap tabhi kr sakte ho jab aap khud race ke hissa ho, aap dheere dheere bhaagte ho ya tez, ye toh baad ki baat hai, aapki growth rate iss baat par depend karti hai ki aap business kin logo ke saath karne ja rahe ho. So maine to race me participate kar liya hai ...and with so much support of uplines, hence mai aaj se kuch saal baad kamyaaab toh zarur hounge!! But What's Yours ?

Upar waaley hi/Jinhone Pehle Join Kar Liye Wahi, kamate hai neechey wale fail ho jaate hai?

agar tumne ye model sahi se samajh liya hai to ye batao ki tumhare according jo upar wale kamaa rahe hain wo kaise kamaate honge ?

“Logon ko hamesha problem rahegi AGAR UPAR PAHUNCH KE BHI NA KAMYEIN TO BOLENGE UPAR AANE KA KYA FAYEDA...to log kahenge upar jaane se kya hoga kamai to hoti nahi hai ...Aur join krte waqt bolte h bss upr wale kamate hai... bhai chahte kya ho??

Ab Salman khan 70 crore leta hai ek movie ka ..kyunki usne 30 saal is industry ko diya hai...koi doosra actor bhi itna time dega to wo bhi 70cr kamayega...
usi tareeke se Bizlion mein jo log aaj kamayab hain ...aap bhi wahan pahunchoge aur unse pehle bhi pahunch sakte ho ...jaise ek kitaab ko padh ke kisi ki 40 saal ka experience aapko mil jaata hai,waise hi Bizlion ki upline se seekh ke aap unse kam samay mein unki jagah pahunch sakte ho “

Ans. Tumhari baat sach hai but yeh baat unhi companies pe apply hoti hai jo companies pyramid scheme(no products only sell a concept) par kaam karti hai.

Here every node is independent node.

Aap jahan se entry lete ho apka business wai se shuru ho jata hai, yeh aap par depend karta hai ki ab aap apna business kaise karte ho.

Agar aap ne ek achi upline ke saath join kiya hai toh aap fail ho jao aisa possible nahi hai... kyunki yaha sabki success ek dusre se interlinked hai.

Aapko successful karke hi upline successful ho sakti h.

Yahaan aise bahut se examples hai. Jahan downline upline se zyada kama rahi hai. Aur important baat Bizlion Ka Marketing Plan is tarike se Engineered hai ki jo aaj join kr rha hai wo bhi jo top level pe hai wha tak pohuch sakta h, which also contributes to the stability of the Organisation, Aur yeh baat toh common sense ki hai ki aap ki success aap par depend karti hai na ki kisi or par and agar neechey wale fail ho jate hai toh yeh upar waaley ka koi matlab nahi nikalta. Fail sirf wahi hote hai jo kuchh karna nahi chahte...

Company Itna Paisa Deti Kahan Se Hai?

“jo paisa doosri company jaise coke ,pepsi SAHRUKH ,SALMAN..ko deti hain 20cr to 60 cr ...wo paisa Bizlion mein Distributor ko distribute hota hai ... aur aap ke sawaal ka jawab do ...loreal ya lux jyada popular hai ,ya phir FACEBOOK ,,,jahir si baat hai facebook ..but uska AD nahi aata hai ...isliye Bizlion ka ad nahi aata magar phir bhi popular hai...aur celebrity wala paisa aam janta mein bhi jaata hai”

Ans. Yee Organisation 90:10 ke ratio me kaam karti hai. Organisation ka jo bhi monthly turnover hota hai, Organisation uska 90% apne Representative me distribute karti hai aur 10% apne management and products me invest karti hai.

Humare dosto ne bhi kiya tha wo fail ho gaye, unke Paise doob gaye?

Mere ek bhi ek bhaiya hain(succesfull upline name) wo kaise successful ho gaye ?aur chalo batao tumhara wo dost aaj apni jindagi mein kuch badaa kar paya kya?

“IIT mein aur baaki ke engireeing college mein kya antar hai...IIT mein pehle se hi itne tough exam pass karke log jaate hain ...magar baaki jagah bachaa hua HR aataa hai ..jo ki apni jindagi mein kai baar fail hota haiAB BIZLION mein koi bhi register kar sakta hai apne aap ko, any 10th pass person ...ab agar IIT ki tarah hum bhi exam le to jitne log join karenge sab successful honge ...magar sabse imp baat ye hai ki ...toppers ko to koi bhi padhaa sakta hai aur aage badhaa sakta hai ..par BIZLION mein to hum sabko padhate hain aur yehi karan hain ki Bizlion ek life transforming institute hai...agar college campus mein kisi ka placement bhi hoga to wo pehle bizlions ka hoga because of COMMUNICATION SKILLS ..and other skills ,Financial knowledge kya ye success nahi hai ?... aur yahan IIT ki tarah ek chance nahi milta hai ...tab tak chance milta hai jab tak aap succesfull na ho jao DO REASON hote hain Bizlion mein fail hone ke

1. pateince chahiye25k ki naukri ke liye 25 saal intezaar to 25 lac ke package ke liye 3 saal ka part time basis pe learning and education to leni padegi

2. learning attitudebtech mein 40 subjects padhte hain ...to Bizlion mein kya seekhna nahi padega ,aur teaching training of Bizlion is best

Ab baat karte hain paise doob gaye kesabse badaa sawaal hai ,paise tab doobte hain jab aapko kuch commitment kiya gaya aur wo aapko nahi milaa...jaise flipkart se phone order kiya aur apko packet mein pathhar mila aur aapke paise doob gaye ...aapko bola ki sahrukh aa raha hai ,1000rs ka pass hai ,aur nana patekar aa gaya ..to apke paise doob gayemagar Bizlion mein aapko jo jo commitment kiya wo milaaa(Digital courses).. to paise kaise doobe ? Haan agar aap courses se seekhoge nahi to jaroor paise doob jayenge”.

Q...Hume Bhaag Daud Bahut Karni Padegi???

ye batao tumhari nazar mein bhaag daud kehte kise hain ,aur iss umar mein ye achi baat hai ya buri baat hai ?

“either you pretend to live like king for few years and work hard forever ..or you work hard for these few years and live like king forever”

Ans. Iss sawal ka jawaab main apko do nazariye se dunga:-

1. Aap ne jo bola use sahi maante hue.....
2. Iss baat ko mante hue ki aap galat ho, kyuki na toh apko

Affiliate marketing aur na hi Power Of Network ko samajh rahe ho.....

Chaliye mai apki baat ko maan leta hun ki haan isme bhaag daud toh karni padegi, toh aam zindagi m bhi toh karni padti hai, lekin ek bahut bada fark hota hai wahaan ki bhaag daud me aur yahaan ki bhaag daud m..... Aam zinadagi me kya hota hai ki wahaan hum zindagi ke 25 saal subah se shaam tak, 8-10 hours a week aur kisi ke terms and condtion me kaam karna hota hai wo bhi mahine ke 20-25 hazaar rupay ke liye.... Aur last me jab aap retire hote ho toh apko kya milta hai... Apko yeh sochna padega retiremnet ke time apka life status

badega ya kam hoga??... apki life status kam hoga.. Jab hum retire hote hai toh humara status kam hota hai....Lekin apne aap me yeh kitni ajeeb baat hai ki yahan part time basis par hafte 6-7 hours bhi dete hai, toh aane waale years me apka life status aur zyada badh jaega, bhaag daud wahan bhi thi bhaag daud yahaan bhi thi, par yahaan bahut bada fark hai, wahaan bhaag daud zinadagi bhar thi aur yahaan bhaag daud kuch 3-4 saal hi hai....Lekin afsos hum iss farak ko samjh ya mehsoos nahi kar paate... wo kehte hai na "Samay aur Samajh kabhi ek saath nahi aati, Jab samay hota hai tab samjh nhi hoti, aur jab samajh aati hai toh samay nahi hota"

"DISCUSS ACTIVE INCOME/PASSIVE INCOME"

Are bhaag daud toh wo log karte hai jo log akele kaam karte hai... unhe yeh nahi pata hota hai ki team work kaise hota hai, team me responsibility kaise distribute ki jaati hai... Logon ko yeh nahi pata hota ki unhe apne aap ko successful banane ke liye resources ki kya-kya need hoti hai.... Discuss Upline as a resource...

For example: If I want to have a presentation of My guest in New Delhi then I need not to go there, I can take direct support of upline available there in New Delhi. You can also take the help of online meetings and seminars across the India. Apko sirf invitation dene ka kaam karna hoga, which takes only 5minutes. Mujhe nahi pata apko ajeeb lagta hai ki nahi par mujhe toh

bahut ajeeb lagta hai ki 3 lakh ke package ke liye aap 25 saal khushi-khushi kaam kar sakte ho lekin 1 crore ke package ke liye 3-4 saal bhi nahi kar sakte.... Maine kaha tha na bahut log Affiliate marketing ko samajh nhi paate hai.... Jo log isse samajh paate hai unhe pata hota hai ki aam zindagi ki bhaag baud normal race ki tarah hoti h, Jaha aapko rukne ka matlab hai ki aap race se bahar ho gaye ho..... Race jeetne ka toh koi scope bachta hi nahi.....

Lekin Affiliate marketing ki race ek Relay Race hai, jaahn aap door bhaag kar rook bhi jaate ho toh bhi na sirf aap race me bane rehte ho, balki race me Jeet bhi sakte ho wo

bhi bina bhaage..... So aap decide kar lo aap Normal Rat Race me participate karna chahte ho ya Relay Race me.....

Ye sab kuch nahi hota ,maine iske baare mein bahut kuch negative sunaa aur dekhaa hai?/internet negative

Ans: AAPNE kya bahut kuch sunaa aur padhaa hai aur jisse bhi sunaa hai kya aap usse personally jaante hain...uski kuch authenticity hai?

Ans. "Internet pe negative daalne wale do tareeke ke log hote hain

1. Wo jo Bizlion ka sahara lekar popular hona chahte hain,they know Bizlion is most search topic so they choose Bizlion negativity jaise apne dekha hoga youtube pe THUMBNAIL...

"ye kya keh diya AMITABH BACCHAN NE " „ab log chatpati news dekhna chahte hain aur youtuber paise kamaata hai,,aisa hi news channel wale karte hain chatpati news for there TRP „,its very simple VIRAL = NEGATIVE NEWS + POPULAR , aur BIZLION Popular hai to log paisa kaamte hain aise hi

2. Wo companies jo chal nahi rahi hain wo Bizlion ki burai karke apne aapko accha batati hain ,jaise VIVO phone khareedne jaoge to wo APPLE ki burai karega hi ,itna mehnga hai ,farzi hai,aur radio nahi hota bekaar hai ,magar APPLE khareedne jaoge to wo VIVO ke baare mein nahi batayega ...brand ka hi burai hoti hai ,BIZLION ek brand hai aur ye kushi ki baat hai - If you search samsung ,aapko burai milegi „service bekaar hai etc....but search NOKIA koi burai nahi milegiCURRENT PM ,CM ,ACTOR ,FILM ki burai milegi kyoki wo market mein chal raha hai

GOOD NEWS BIZLION BHI CHAL RAHI HAI - Kabhi apne dekha kisi ko neem ya peeples ke ped pr patharr marte huue...

patharar hamesha aam ke paed pe maare jaate hain jahan phal lagte hain," Bilkul padha hoge apne! Ek kaam karte h google pr search karte h - Search Kriye Google is fraud Company.

Google apne aap ko fraud company batati h. Google is fraud company who is doing online scams. Google is worst company then why are you using google ?

Net me aap ko ANTI-INDIA ke bare me bhi comments and blogs mil jayenge.

Ok now tell me one thing... Jo log negatives blogs baana rahe hai. Are they actually having right knowledge or successful in Affiliate Marketing industry????? Aur rahi baat blogs ki.....toh blogs unhi ke bante hain , who are successful and having world wide identity..!! (Raah chalthey log k blogs thodi hote hai.... Tumahre bane hai kya ?)

Ab mai aap ko batata hoon, wo log blogs kyu banate hh..... Actually they are professional bloggers , who create their own blogs to earn money (per click 0.60 paise) Ab simple si baat hai , Jab users Bizlion ko search karte h.... Toh usme kuch positive blogs bhi hote h aur negative bhi aur aap ko bhi pata h log negative ki taraf jaada attract hote hai....aur usi ka bloggers fayda uthatey h aur paisa kama lete hh , isse na jane kitne Ambitious logon k Dreams, Dreams hi reh jaate hain because Peoples easily belief in negative blogs .

Example of class..... Agar aap ko top krna hai to aap ko bahut mehnat krni padegi. (its difficult to create positive image) aur fail hone k liye kuch nahi karna hai (its easy to create negativity among people). "1 burrai bhi 100 aachaio ko mita deti hai"

MAIN BIZLION KYUN KARU, MUJHE BIZLION KI KYA JARURAT HAI ?

Ans. Acha aap bataiye , apke account me 1 crore rupay hai.? 2 toh honge hi ! 1crore nhi hai toh 2 crore kaise honge!Agar aap k pass 1 crore hai toh aap k pass hazaar rastey h, aur nahi hai toh AFFILIATE MARKETING ke alaawa koi industry nhi hain jahaan par zero se start kar ke itne kam time pe 1 crore tak pahunch saktey hain. Now, let m tell you one thing. Bizlion works as a bridge that connect you with your dreams. Ok tell me,

- Who is the youngest bike owner in your home ???? (LET THE GUEST ANSWERED)
- Who is the youngest car owner in your home?(LET THE GUEST ANSWERED)
- Who is the youngest house owner in your home?(Jisne khud ka ghar banvaya ho (LET THE GUEST ANSWERED)
- Who is the person in your family jisne 23-24 age me International trips ki hain / ya ki bhi hain ki nhi (LET THE GUEST ANSWERED)
- YOU CAN BECOME

Mera family Business already hai why should I do Bizlion ?

Ans. Kya mai jaan sakta hoon ki aap ke pass aisi kaun si Business skills hai jis se aap apne business ko next level pe le jaa sakte ho? Aap Mere ko ek baat bataiye, Agar aap apne Business skills ko develop kroge bi to vo bi aane wale samay ke baad (or graduation ke baad) develop karoge . Lekin aaj Bizlion k through abhi se aisi Business skills develop kar sakte ho, Jis se graduation khatam hote- hote aisi Business skills and communication skills develop jayegi, so that u can expand your business in other cities also.

EXAMPLE of Sachin Tendulkar. Who has started playing cricket at the age of 6 and played the international cricket at age of 16.

Hence Jitni jaldi Business skills develop kroge. Utni jaldi successful banoge and Bizlion is giving you that platform. Aur aap to Business mindset ke lagte ho, Business ka matlab ye nhi hota h ki aap kisi ek hi Business ke source of income par depend raho. Business ka matlab hota h ki you have to expand your business as much as possible.

Success = Real life skills + Academic skills
85% + 15%

EXAMPLE-

- RELIANCE- Aaj Reliance har sector me expended hai like Reliance communication, Reliance coal mines, Reliance Petroleum, Reliance Jio etc etc...
- ALIBABA – Who has funded the companies like FLIPKART, SNAPDEAL ETC ETC.. Aap ek baat bataiye, Kal ko aap apne family business sambhaloge, To aapke relatives aur apke friends yahi bolenge na ki apne father ka business sambhal raha. Aur apko apke father ke naam se jaana jayega matlab hamesha apki koi khud ki identity nahi hogi.

Aap ka poora naam kya hai ?

(LET THE GUEST SPEAK HIS NAME) Agar aap k naam ke aage se Surname hata diya jayega to apki identity kya reh jaegi ????? Bolo.....???? Kuch aisa kro ki aap k naam se aap k father ko jana jaye. In the early age. Because badi umar me to bada kaam bahut log krte h choti umar me kuch bada kaam kr ke dhikhao. Then your father will also feel proud of you. And Bizlion is giving you that platform.

Main 10 logo ko Join Nahi Kara Paunga?

Apko itna confidence aaya kahan se ?aur kya ye acchi baat hai?

Ans. Baat ye nhi hai ki aap 10 logo ki team nhi bana paoge, Reality ye hai ki aap ko 10 logo ki team banani nhi aati. Mere sath bhi yahi problem thi to maine apni upline ko btaya unhone realize kraya ye to apki weekness Hai... isi ko to strength banana hai. Fir mujhe meri upline ne support kia waise hi apko mai support krunga bus apko apne friend se mujhe milana hai unko ppt dikaunga to dekh-dekh k aap bi sikh jaoge. Aur mujhe to Team Banana Bhi aata hai . Aap apne 10-15 friends ki ppt krwa digiyega to ye to confirm hai ki unme se 3-4 ki team to ban jayegi.

Aur Ab aapki presentation skill bhi develop hona start ho jayegi. Jo aaj har ek companies ki, jiski har ek jagah par demand bhi hain. Also you can improve your communication skills which is useful in every sector (either job or business) aur jab aapki 3-4 ki team bhi ban jayegi then now its your responsibility to teach him in presence of you aur iss se apki teaching and training skills, managemnt skills and leadership skills bhi develop hona start ho jayegi aur iss se aap apna samay sahi jagah dena start kar doge which is productive in your future. Ab aap hi btao ek MARE HUYE INSAAN ko bhi aakhri Samay me 10 log mil jate hai, To apko 10 jinda nhi milenge kya? Aur agar apne business plan to ache se samjha hai na & ap hi bataye

- Aap ke 10th me kitne friend the?
- Aap ke 12th me kitne friend the?
- Aap ke abi college m kitne friends hai? - Kya apko 2 frnd nhi milenge??? Marne vale ko bhi 4 log mil jate h. KYA BAT KARTE HAI AP...

MERA INTEREST/MERA MANN NAHI HAI?

“Agar koi bhi insaan jo dhoti pehenta ho usko pehli baar pant pehnao to kya usse interest ayega? nahi,

Interest dheere dheere aate hain, Ab main batata hu Bizlion interesting aur sabse jyada entertaining kyu hain ,aap facebook pr jaate ho , social media pe ghanton time waste karte ho kyu ? kyunki wahan logon se baat karne ka mauka milta hai aur this is Human behaviour ..to be in social environment ,na ki computer ke samne 12 ghante rehna ...waise hi Bizlion interesting isliye hai kyunki yahan cricket ke jaisa goal chase hai aur

facebook ke jaisa social networking hai, aur ek baat aur MASHLOW'S THEORY ke according self respect aur pehchaan insaan ki doosri sabse badi jaroorat hoti hai, wo name aur fame Bizlion mein hai, you can become youth icon and very popular at early age ...jo ki Bizlion mein tumhe milti hai, ye aur kahin nahi hai, actor aur politician ke alawa ..isliye Bizlion is a complete life package ...”

Ans - INTEREST/MANN kisi bhi chiz me hota nahi hai balki banana padta hai. Hum 80%-90% wahi chize karte hai jisme hamara INTEREST/MANN nahi hota hai (Example- subah uthne me, medicines khane me, Injection me and many more).....

And aur Rahi baat business me interest hone ki to mujhe bhi nhi tha but mera interest 19-20 years ki Age me Hero Splender nhi SPORTS BIKE/Harley Davidson ride krne me hai. Aur 23-24 years ki Age me (Alto, Nano, Wagon R) nhi Balki HONDA CITY, TOYOTA FORTUNER, BMW ko Drive karne me interest hai

or

sbse zaruri baat 40-45 saal ke age me bi log ghar nhi le paate Rent pe rhte hai. Mera interest 24-25 yrs ki Age me khud ka Ghar lene me hai. Mera interest mummy papa ko early age me world tour kraane ka h... jo log kbhi nhi kr paate h...

Brother isliye to Bizlion kr raha hu kyunki maine Bizlion me bahut se person ko itni kam age me aaj har interest wali chizo k sath dekha hai

Bizlion ke alawa aisa koi legal platform nhi hain jo college/student life me young age me meri interest wali chize mujhe dila de, Is liye Bizlion krni hai or kar raha hu.

Ya to aaj ap abhi 3-4 saal interest wale kaam kare... baaki puri Zindagi 60 Saal tak Bina Interest wale kaam kare..... Ya phir second option Abhi 3-4 Saal Bina Interest wala KAAM Kar LE AUR PURI ZINDAGI INTEREST WALA KAAM KARE APNE ACCORDING.

Mujhe convince krna nhi aata / logo ko convince krna acha nhi lgta?

Aapko kya lagta hai ki ye aapki strength hai ya weakness hai?if you say that it is a weakness what are you doing to overcome it?

- Dekho dear kisi bhi company mein agar tum dekhoge to jo sabse neechे काम करते हैं वो machines operate करते हैं , जैसे workers operates machineries, computers ,files and software...aur isliye wo bina bole काम करते हैं aur isliye wo communication skills से भागते हैं क्युंकि उनको नहीं आती है ... aur convince करने से डर लगता है .. aur college mein भी हम मुह बंद कर सिर्फ blackboard पे देखते हैं
- Magar same company mein जैसे जैसे तुम ऊपर की post को dekhoge to वो लोग के साथ काम करते हैं aur उनको machine के साथ काम नहीं करना होता है ... जैसे senior manager CEO of the company aur is बात को समझते हैं कि india का सबसे highest salary package देने वाली institute IIM भी येही सिखाते हैं logo को कैसे handle करना है aur कैसे convincing skill generate करना है..
- convince करना अगर नहीं आता है तो एक employee बनोगे aur choti salary मिलेगी ,aur अगर convince करना आता है तो PM aur CM भी बन सकते हैं
- एक IAS को भी एक काम पढ़ाया लिखा आदमी MLA बंके control कर सकता है क्युंकि उसको convince करना आता है , isliye वो उसके ऊपर बैठा है

Convincing skill itna zaroori है तुम interview mein Job के liye samne wale को convince कर सकते हैं कि मैं क्युं better choice हूँ 1000 लोग mein aur अगर convince skill नहीं रही तो तुम्हारे बेटा भी bigad जायेगा ,wife भी khush नहीं रहेगी ,boss को convince नहीं कर पाओगे कि promotion मुझे क्युं मिलना चाहिये aur पड़ोसी भी नाराज रहेंगे ,aur शायद हमने ये सब देखा है अपने आस पास

- aur हम शायद पूरी ज़िंदगी येही seekhte रह जाते हैं magar seekh नहीं पाते.
- अगर एक लड़का ये seekhta रहता है कि एक लड़की को कैसे impress करना है aur अपना पूरा college time waste कर देता है, अगर same time mein BIZLION करते हैं तुम convincing skill seekh लोगे to 1 cr /year के मालिक.

Mai Bizlion karunga to Meri studies disturb hogi?

Ans : Aisa क्युं लगता है आपको?आप पहले ये बताओ कि आपको लगता है Aisa कि आप college mein पढ़ाई करने आये हो या career बनाने आये हो

“अगर किसी ज़मीन पर कोई खेती नहीं होती है तो उसपर grass उग जाती है या , ज़ादियाँ पैदा हो जाती हैंअगर आप अपने time को Bizlion जैसी productive जगह नहीं ढूँढेंगे तो unproductive चीज़ें आयेंगी.. ,social media mein time waste करने लगेंगे

hain...thodaa aur aage badhe to movies ,games ,gossips and people say this is entertain ...kya in sabhi cheejon se padhai disturb nahi hoti aur to aur log aur bhi khatarnaak nashaa karte hain

Agar Bizlion karne se padhai disturb hoti hai to Bizlion jo nahi karte hain wo kya pass ho rahein hain ya top kar rahein hain jo motivation Bizlion mein milta hai usse aap studies mein bhi better perform karoge kyunki yahan ,mahatma gandhi ke principles ,bill gates ,mark zukerburg ,sachin ,APJ kalam ke baare mein bataya jaata hain aur successful people like Yogesh sir ke learnings milti hai jisse padhai mein aapka performance badhta hai ...YOUR COMPANY DECIDES YOUR FUTURE ,YOU ARE AVERAGE OF COMPANY YOU KEEP .”

Ans. Aisa aap bol rahe ho, kyu ki Aisa aap soch rahe ho... Aisa bilkul nahi hai, hume har kaam ko karne ke liye sirf time manage krna hota hai... Aap hi btao kya jo log aaj successful hai unke pass 36 Ghante the kya..?? Nahi na.. bhagwan ne sbko 24 Ghante hi to diya hai... Aur mai ek baat btata hu... Bizlion me aise bahut log hai jinhone studies k sath Bizlion me bahut acha kiya hai...

[give testimonials of uplines].

Mai aapko Ek baat btata hu, agar hum roz dinner krne me 30 min le rahe hai or suddenly ek din bahar koi fight ho jaye to us din aap 10min me dinner kr ke 20min fight dekhne me laga doge or time manage kr loge.

Baat ye nahi hai ki time nahi hai. Baat hai priority ki... Hum kis kaam ko kitni importance dete hai, Studies 6-7 hr kro.. And mai to yahi bolunga, social media jispe aaj ki date me hum sabse jyada time kill kr rhe hai..., hume us time ko reduce karna hoga... Agar aap social media par 2-3 Ghante use kar rahe ho to aap usse 15-20 min. hi use kre... Agar aap 8-10 hr so rhe ho to 2-4hr kam so lo , Agar aap movies dekhte ho to us time ko aap utilize kro. Time manage krna chahoge to arram se ho jayega...
