Subject: **Intimation regarding illegal wage deduction and coercion by contractor affecting multiple workers**

Respected Sir,

I, Sajan Kumar Lal, am working as a Lift Operator under a contractor in AGE (E/M) (S), MES, deployed at 164 MH, Binnaguri Cantt. I am holding a valid permanent gate pass issued by the station authorities.

Through this letter, I wish to formally intimate that the contractor, Mr. Sudhanshu Kumar Singh (Mobile: +91 9304618803), is offering only ₹9,000 per month against the approved salary of ₹15,500 as per tender conditions, thereby deducting ₹6,500.

This issue is not limited to me alone. Two of my colleagues working under the same contract have also been subjected to similar pressure and have been told that they will receive only ₹9,000 per month or else they should leave the job and be replaced.

When concerns were raised, the contractor clearly stated that if we do not accept the reduced salary, he will appoint other persons in our place.

This situation indicates:

- **Illegal wage deduction**
- **Coercion and threat to employment**
- **Exploitation of multiple contractual workers**

I am also in possession of **call recording evidence** supporting these facts, which can be produced as and when required.

I request you to kindly take note of this matter and initiate necessary action to ensure fair treatment and payment as per approved terms.

Yours faithfully,

Sajan Kumar Lal

Lift Operator (Contractual)
